

We are recruiting TOONBOOM ANIMATORS, CHARACTER DESIGNERS, BACKGROUND DESIGNERS, CHARACTER BREAKDOWN ARTISTS and COMPOSITORS

INTRODUCTION : Brown Bag Films is opening a new 2D Animation Studio in Manchester and we are now recruiting for staff to work on the development of a 52x11' pre-school series, skewed towards girls, for a global children's channel.

The development work needs to be completed in January 2015 and may go to a full series in February 2015. The series is being created in ToonBoom Harmony. The development phase includes refining and designing characters and locations, and animating the lead character through a walk-cycle.

COMPOSITOR (TOONBOOM HARMONY)

The Art Dept is creating characters, locations and a colour palette for the series. As part of the development, the lead character will be animated through a walk-cycle.

The COMPOSITOR will work with the Animator to composite the walk-cycle against a background, creating a final piece which can be presented to the commissioning channel.

Candidates must have experience of working in ToonBoom Animate Pro or Harmony.

Duration: 2-3 days, January/February

Fee: Competitive for all roles

Location: The Sharp Project, Manchester

Please send CVs showing experience, credits and references to

jobs_manchester@brownbagfilms.com

Please insert Compositor Manchester in the subject.
